GSA Announces the Strategic Sourcing Awards 2021 Shortlist

The Global Sourcing Association is delighted to announce the 2021 GSA Strategic Sourcing Awards shortlist. Winners will be announced on Thursday 25th March at the GSA Virtual Awards Ceremony concluding the end of the first ever Festival of Sourcing.

The GSA UK Awards now in its eighteenth year recognises and celebrates the efforts of companies who have demonstrated best-practice in Strategic Sourcing.

Global Sourcing Association CEO, Kerry Hallard said:

“I’m so incredibly proud of the great work this industry does and the phenomenal value partnerships deliver to businesses around the world. COVID has not stopped this, if anything it has accelerated it and increased the collaboration and trust in partnerships as a result. Long may that continue.

These award nominations are testament to that great work and I applaud and congratulate everyone on the shortlist”.

About the GSA

The Global Sourcing Association (GSA) is the industry association and professional body for the global sourcing industry. We are the home of the Global Sourcing Standard, a world first for the provision of a portfolio of best practice methodologies and accreditation programmes supported by both buyers and suppliers of sourcing.

The GSA is a not-for-profit membership association which serves to share best practice, trends and connections across the globe bringing the global community together in a wholly interactive manner for the first time. Its overriding objective is the ongoing development and dissemination of the standard and supporting portfolio of qualifications in order to improve the benefits and positive reputation, and therefore size, of the global sourcing industry.

The Global Sourcing Association is a member of the Global Technology & Business Services Council, an alliance of leading associations and bodies across the globe including the United Kingdom, Poland, Romania, Bulgaria, Russia, Egypt, India, Ukraine, Latin America, Malaysia, Sri Lanka, South Africa and the United States.
